Risks and Restrictions

- Warning: This product may cause impairment and may be habit-forming.
- Smoking medical marijuana is not permitted in the State of Ohio. Approved delivery methods include *non-combustion vaporization, ingestion, sublingual tincture, and topical application.*
- There may be health risks associated with consumption of this product.

  Medical marijuana should not be used by women who are pregnant or breastfeeding.
- Marijuana can impair concentration, coordination, and judgment. Do not operate a vehicle or machinery under the influence of this drug.
- Medical marijuana products are for use only by the person named on the label of the dispensed product.
- Keep all medical cannabis products out of the reach of children.

Addressing questions or concerns:

- If you have a question regarding medical marijuana or need to report an adverse reaction from medical marijuana, please call the Ohio Medical Marijuana Control Program Toll-Free Helpline at ***1-833-4OH-MMCP (1-833-464-6627)***

Guidelines

- Please consult your healthcare provider before making any healthcare decisions or for guidance about a specific medical condition.
- Please consult your healthcare provider for information on drug-to-drug interactions, including *interactions with alcohol, prescription drugs, non-prescription drugs, and supplements.*
- Duration and type of effects as well as activation time of cannabis products can vary by product, delivery method, and by individual.
- When using medical cannabis products that you are unfamiliar with, begin with low doses and wait to increase or take additional doses until you understand how the product affects you.
- The potency of medical marijuana products can vary greatly. Specifically, concentrates and extracts often contain much higher cannabinoid content per weight than other forms of medical cannabis. Using high THC content product can increase a user's tolerance.
- Contact your healthcare provider if you are experiencing marked changes in marijuana tolerance.
- If you are experiencing any signs of substance abuse, addiction, or withdrawal, please consult your healthcare provider or local substance abuse program.

Return and Recall Policy:

- All sales are final and not eligible for returns.
- In the event of a state issued recall of any medical marijuana products, the dispensary will reach out to all affected patients via phone or email to issue a refund and dispose of the product.
